EXCHANGE LIST FOR MEN

YOUR 3 STEP
RAPID FAT LOSS
SOLUTION

1. BURN FAT 2. GET LEAN 3. TONE MORE

Each food categories exchange list contains food items which can be interchanged with each other. The serving sizes of each food is important to note as it is calculated so that the macronutrients per portion are similar. Remember, some processed foods such as sauces, ready-made meals and spices contain added sugar and gluten. It is always important to check the label on the product to ensure that it is gluten-free if you are following this meal plan. It is recommended to avoid processed foods and sauces as far as possible for best results.
